Dear Lender:

We are able to provide your customers with excellent service and ensure that your closing can be completed as scheduled. In order to expedite your request, please attach this checklist along with your cover letter. If you have any questions concerning coverage or special requests, please contact us.

We will be able to provide your quotes immediately and can prepare the proof of insurance and all applicable documents.

We look forward to hearing from you. Thank you for considering us to provide you and your clients with our service.
